

Hip Hop – 2017/18

The cost for schools who have 300 students or more is \$15.00 per student. For schools who have less than 300, it is \$20 per student.

We have availability after Christmas and a bit of time free in the next few months as well.

We do have a contemporary modern class that we will be teaching for the Pro D Day. Something like that could be offered as well in lieu of hip hop.

We have a great system of preparing a full show with all the students when we come with our hip hop workshop.
